Packet Pickup Overview

EVENT SHIRTS – You must take the shirt size that you selected during registration. We will have a shirt exchange after the race at our Downtown Canton office on a date to be announced later. Supplies and sizes may vary based on availability.

BIB NUMBER –It is IMPORTANT that you wear your bib number on the FRONT of your shirt. We need to see your bib number at various points along the course.

YOU MAY HAVE A FRIEND PICK UP YOUR BIB AND SHIRT – We are kindly asking that you keep that number to a minimum. We want to be courteous to those only picking up for themselves.

Race Morning Saturday

Runners, Family Members, and Spectators can park in a variety of places in Canal Fulton. Our event is preceded by the Get Lucky 50/50, so spots in St Helena Heritage Park will be limited. On-street parking, surface lots, etc. are all available for you. Just make your way down to the park once you arrive.

We also HIGHLY recommend that you use Google Maps to plan your trip in advance.

PLEASE ARRIVE TO THE RACE EARLY ON SATURDAY. WE ARE STARTING ON TIME AT 9:30AM. PLAN ON ARRIVING BY 8:30AM TO ENSURE ENOUGH TIME TO PARK, GET YOUR STUFF, AND USE THE PORTA POTTIES! TRAFFIC WILL BE HEAVY INITIALLY. PLEASE BE PATIENT.

Water Stations / Porta Potties

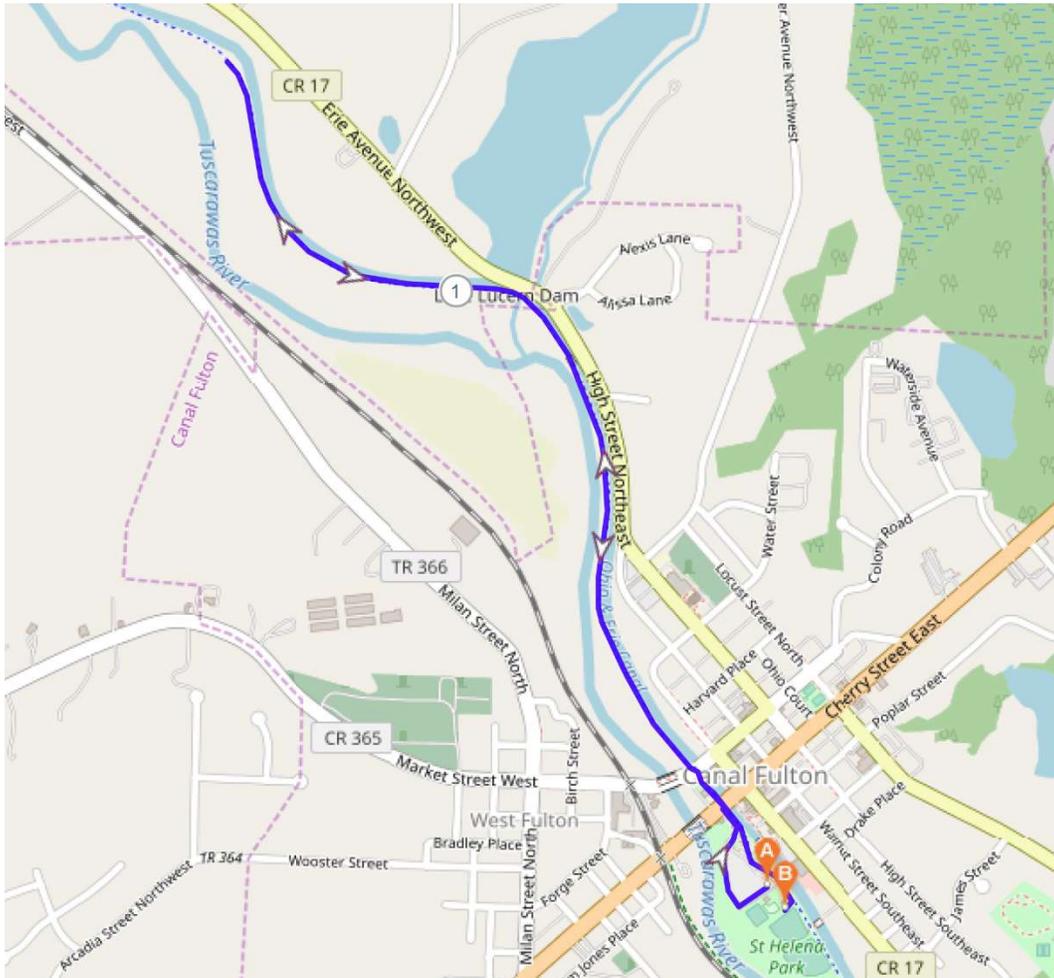

A water station will be located roughly at the 1.6 mile mark, which is on the Towpath at the 180 degree turnaround. There are no restrooms along the course. We will have plenty of restrooms at the Start / Finish area.

Ready Set Go!

The course is an out and back course that starts at St Helena Heritage Park and heads NORTH on the Towpath Trail. There is a water station at the 180 degree turnaround. The majority of the race is run on blacktop with the final short stretch on crushed limestone.

Please line up according to pace. Faster runners in the front, slower runners in the back. ** WALKERS ** - We welcome walkers BUT we are kindly asking that you only walk 2 across as the runners will be heading right back at you on the trail.

Tips for First Timers

All runners must wear their race bibs on the FRONT of their shirts and should be visible at all times. The back of your bib has a timing chip. Please do not fold or bend this chip. It is used to track your start time, race progress, and finish time. We will be taking finisher pictures AND THE ONLY WAY we know who you are is if you have your bib on the front. We also will only be giving medals to those wearing race bibs (on the front please!).

Please use proper race etiquette. Move aside for runners who say they are passing and make sure you do not become a hazard. If you need to stop or walk at the water station, check behind you before you move over to grab your water.

Post-Race

You've done it! We will present you with our unique finisher medal as you finish. Please take your finisher water and snacks after you get your medal. Awards will be presented for the 5K race at 10:30am.

You can check results at www.cantonruns.com. PLEASE CHECK YOUR RESULTS BEFORE YOU LEAVE. WE ARE NOT MAILING ANY AWARDS.
