

5K RACE NOTIFICATION

Dear Neighbor,

We are hosting a 5K run/walk this SATURDAY MORNING (February 21st) AT 9:00am. Roughly 100 participants will be running down your street for a brief period of time. We expect to have runners and walkers pass your house between 9:00am and 9:40am. We appreciate your patience and cooperation as runners / walkers will be on the road. We are NOT closing the streets. Runners will be instructed to run on the edge of the road. Please be mindful as you leave your house. We would love it if you stepped out and cheered on those passing by your home.

I can be contacted directly if you have any questions.
