

Dear Neighbor,

On July 11th, we will be hosting a USATF sanction event called the **“USATF Women’s 6km Championship”**. This is **our sixth year running the race** and will run as it always has the previous years. The race starts at **8:00 am** and runners will be racing and walking through the neighborhood until **8:40 am**. We ask that you kindly park your car on a street that isn’t involved with our race route so that the runners have more road to race on.

We also encourage you to come out and cheer on participants as some of these women are the best of the best in the nation and are running for a national title. Some of these athletes have also competed in the Olympics. You can also find all details and a full course map if you scan the QR code.

We truly appreciate your support. Thanks for helping us make this race successful!
